The Long Island Film Festival

Friday February 20, 2009

Celebrating its 25th year, the [Long Island Film Festival](#) will present four evenings of independent films and panel discussions at venues in Sea Cliff and Glen Cove. Many of the films star, were written by, produced by, or were directed by Long Islanders. And don't be surprised if you recognize some Island landmarks in these movies.

Starting on **Monday, February 23**, at Sea Cliff's **Creative Arts Studio**, the LIFF will present 10 short subject film screenings at 1:30 p.m. and again at 6:30 p.m. On **February 25, 26 and 27**, starting at 4 p.m. each day, the festival moves to Glen Cove's **Perspective Studios**.
